

Lytham Road Surgery

Plans to relocate

Why relocate?

We have out grown our premises and are restricted in the services we currently provide to our patients.

Where will we relocate to?

In partnership with other local practices in a similar position we are proposing a relocation to a new purpose built premises on Garstang Road on the site of the Little Sisters of the Poor care home.

This site is 0.6 miles from the current location of Lytham Road Surgery.

What will the benefit be to patients?

The proposed site will have;

- a greater variety of health and community services
- more clinical rooms
- greatly improved off-road parking
- an on-site pharmacy
- set in lovely garden surroundings

When will the relocation happen?

Plans are at the design stage and have been through the preliminary planning process. It is anticipated that building would start in 2018 and the building would be ready to relocate into sometime in 2019.

Preliminary plans will be available shortly and will be available on both the website and in the practice waiting room.

To give your views please complete one of our **survey forms** and return to Heather Hoey, Practice Manager, Lytham Road Surgery, Fulwood, PRESTON, PR2 8JB

Lytham Road Surgery

Plans to relocate the Surgery – PATIENT SURVEY FORM

The Surgery are planning to relocate to new purpose built premises on a nearby site on Garstang Road.
